Get Physical With Pain - FREE Therapy Pain Screening

Can your pain be helped by therapy?

If you experience:

- Joint pain
- Muscle pain
- Arthritis pain, or
- Pain interfering with your daily activities

*Make an appointment for a FREE
15 minute Therapy Pain Screening.*

For an appointment call: 419.483.4040, Ext. 4279

- Physical and Occupational Therapists treat pain through movement.
- Patients improve their strength, flexibility and range of motion.
- The screening will help determine what's right for you to manage or reduce your pain.
- Therapy is also a safe alternative to opioids for pain management.

Call today to schedule your free screening!
